# Cessna Australia's Favourite

Again in 1957 there were more Cessna aircraft sold than any other type in the world.

More Cessna's have been delivered in Australia during the past three years than the combined total of all other new aircraft.

## Because

**CESSNA** is all metal

**CESSNA** spells high performance

**CESSNA** is supported in Australia by the largest spares holding for modern light aircraft in the South Pacific

**CESSNA** is sold and serviced by specialist

**CESSNA** is safe and easy to fly

**CESSNA** is a proven bush aircraft

**CESSNA** offers a complete range of models for all private and business needs.

Model	172*	£5540	124 mph
	175*	£6500	139 mph
	180	£7830	160 mph
	182*	£8050	155 mph
	Skylane*	£9050	158 mph
	310B*	£31,850	213 mph

\*Tricycle Undercarriage.

# Cliff Lanham says: —

(Lanham's Air Taxi Service)

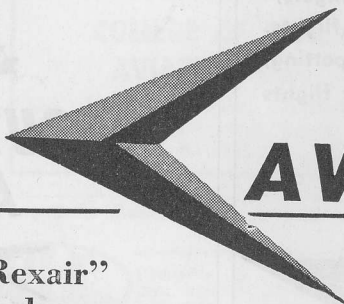

"I chose **Cessna** because its high performance, comfort and all metal reliability spells greater passenger appeal. This means more charter hours, which added to Cessna's low operating costs results in a higher return to the operator. It's certainly Cessna for me!"

*Pictured is Cliff with his 1957 Cessna model 182 VH-CWL at his Mary Kathleen (Q'ld.) home strip.*
