

**IDENTITY OF DEAD
PILOT
ESTABLISHED**

Identity of the pilot of a wrecked Spitfire which was discovered several days ago near Fog Harbour, 40 miles from Darwin, has been established as Sgt C. W. Dunning, of Fullarton East (SA).

Sgt Dunning was reported missing after his aircraft had failed to return from an altitude test on April 24, 1944.

The remains of Sgt Dunning, who was a member of No. 452 Squadron, have been taken to Darwin for burial.
